### Chapter One

**\*\*Laurel\*\***

What am I?

To the world, I don't exist.

To the others, I am a mistake.

To the agents, I am a mutant of sorts.

To the scientist, I am a merely a test monkey.

To the League, I am nothing more than just numbers on a list.

To myself, I am most certainly a monster.

**\*\*Max\*\***

What am I?

To the world, I am just another human.

To the people of Hiddenville, I am a student.

To the Villain League, I am a weakling and a failure.

To my family, I am their little boy.

To the League, I cannot be trusted.

To myself, I am a villain.

**\*\*Phoebe\*\***

What am I?

To the world, I am a normal teenager.

To the people of Hiddenville, I am the sweet girl with good grades.

To my friends, I am a role model.

To my family, I am their little girl.

To the League, I am a prodigy.

To myself, I am a liar.
